

PROGRAM OF THE GLOBAL UNIVERSITY PRESIDENTS FORUM

I. The theme of the Forum

Reshaping Universities for the Future: Mission and Innovation

The Presidents of the world's leading universities engage in multiple ways with the Forum:

- Shared vision: to pursue innovation in education, research, culture, service to society, and international cooperation in the new era.
- Mission: to explore innovative pathways to address global challenges in a time of change.
- Collaboration: to forge closer ties with global universities and wider communities.
